

# Maurage Pierre

## PERSONAL INFORMATION

---

### Addresses :

#### Professional

Université Catholique de Louvain  
Faculté de Psychologie  
Place du Cardinal Mercier, 10  
B-1348 Louvain-la-Neuve  
tel. +32 (0)10/47.48.04  
fax. +32(0)10/47.37.74.  
email: pierre.maurage@uclouvain.be  
Room : E240

#### Private

Rue des Fauvettes, 3  
  
B-7540 Tournai  
tel. +32 (0)69/34.51.27.

*Date and place of birth* : Tournai (Belgium), 16<sup>th</sup> April 1980

*Gender* : Male

*Nationality* : Belgian

*Marital status* : Married (14th August 2004) to Valérie Wyseur, secondary school teacher

Three children:

Iseult Maurage (23rd June 2005)

Apolline Maurage (18th May 2007)

Lou Maurage (26th April 2010)

### *Current professional situation:*

Research Associate (« Chercheur Qualifié ») at the National Fund for Scientific Research (Belgium)

Co-director of the Laboratory for Experimental Psychopathology (LEP)

Psychology Research Institute (IPSY) and Institute of Neuroscience (IoNS)

Université catholique de Louvain, Louvain-la-Neuve, Belgium

### *Language :*

French : Native language

English : Speaking, writing, reading: upper intermediate

*Website* : <http://www.uclep.be>

## EDUCATION

---

2012 – Complementary Master (Université catholique de Louvain, University of Liège, University of Geneva) in Psychotherapy, Faculty of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

Grade: " Plus grande distinction (first-class honours)"

2008 (20th March) – PhD Degree in Psychological Sciences, Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium. Title of the PhD thesis : « Emotional facial expressions decoding deficit in chronic alcoholism. Behavioural and electrophysiological exploration ».

Grade: Written : 94.6% / Oral : 95%

2006 – Post-Graduate Degree in Psychological Sciences, Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

Sans mention (No grade)

2003 – Masters Degree in Psychological Sciences, Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

Grade: " Plus grande distinction avec félicitations du jury (first-class honours, summa cum laude)"

2000 – Bachelors Degree in Psychological Sciences, Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

Grade: " Plus grande distinction (first-class honours)"

## SCIENTIFIC ACTIVITIES

---

### *Research domains :*

- *Population :* Alcohol-related problems (alcohol-dependence, binge drinking, Korsakoff syndrome)  
Other psychiatric populations (schizophrenia, Huntington disease)
- *Research Topics :* Affective Neuroscience  
Emotion (emotional facial expressions, prosody, postures)  
Cognition (attention, executive functions)  
Interpersonal processes (empathy, social rejection, social interactions)
- *Techniques :* Questionnaires and online surveys  
Behavioural measures (reaction times, performance)  
Psychophysiology (electrophysiology, skin conductance)  
Neuroimaging (fMRI, MEG)
- *Other domains :* Olfaction, odour processing  
Face-voice crossmodal integration

### *Professional career :*

- 01/09/2009 - 01/09/2012: Clinical training course (10 hours/week) in the Adult Psychiatry Unit (Alcohol-dependence section) of the Saint-Luc University Hospital (Brussels, Belgium), directed by Prof. Philippe de Timary.
- 01/10/2008 - 30/09/2011 : Post-doctoral Senior Research Fellow (Chargé de Recherches) at the Belgian Fund for Scientific Research (FRS-FNRS). Cognitive Neurosciences Unit (NESC), Psychological Sciences Research Institute (IPSY), Faculty of Psychology, Université catholique de Louvain (UCL), Belgium.
- 01/10/2004 - 30/09/2008 : PhD Student (Aspirant) at the Belgian Fund for Scientific Research (FRS-FNRS). Cognitive Neurosciences Unit (NESC), Department of Psychology, Faculty of Psychology, Université catholique de Louvain (UCL), Belgium.
- 01/10/2003 - 30/09/2004 : Research assistant (FRSM) in the Cognitive Neurosciences Unit (NESC), Department of Psychology, Faculty of Psychology, Université catholique de Louvain (UCL), Belgium.
- 01/02/2002 - 30/06/2002: Five-month training course in the epilepsy and neurosurgery unit, « Gui de Chauliac », (Professor M. Baldy Moulinier), Montpellier, France.
- 01/09/2001 - 30/01/2002: Five-month training course in the visual processing research group, Cognitive Neurosciences Unit (Professor R. Bruyer), Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

### *Post-doctoral stays :*

- 01/02/2010 - 01/09/2010 : Post-doctoral stay at the Functional Neurosciences Laboratory (directed by Prof. H. Sequeira), Faculty of Medicine, University of Lille, France.
- 15/01/2009 - 15/07/2009 : Post-doctoral stay at the Voice Neurocognition Laboratory (directed by Prof. P. Belin), Faculty of Psychology, University of Glasgow, United Kingdom.

## TEACHING

---

- 2017-... : "Neurobiology and clinical psychology of binge drinking" (5h/year), Inter-university certificate in alcohol-related problems, Scientific Society of General Medicine, Brussels, Belgium.
- 2015-...: "Clinical Psychology of Addictions" (30h/year), Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.
- 2013-2017: "Advances in Neuroscience" (30h/year), Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.
- 2009-2011: "Introduction to Psychopharmacology" (8h/year), Department of Psychology, Catholic University of Lille, Lille, France.

2004-2011: Supervision of training courses in the Cognitive Neurosciences Unit.

2004-2009: "Neuropsychology of emotions" (4h/year), Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium.

## SUPERVISION

---

2015-2017: Director of Valérie Dormal's post-doctoral stay

Title: "Neuropsychological deficits in binge drinking and their rehabilitation using neuromodulation"

2013-2016: Director of Fabien D'Hondt's post-doctoral stay

Title: "Do emotion decoding deficits in alcohol-dependence rely on visual impairments? A neurophysiological and behavioral investigation"

2013-2014: Director of Magali Lahaye's post-doctoral research contract

Title: "Emotional deficits in Huntington's disease"

2017-2021: Director of Coralie Creupelandt's PhD Thesis (co-director: Prof. F. D'Hondt)

Title: "Vision-emotion interactions in alcohol-dependence: experimental test of the affective prediction model"

2016-2020: Director of Sullivan Fontesse's PhD Thesis (co-director: Prof. S. Demoulin)

Title: "Dehumanization processes in psychiatric disorders: a neuroscience perspective"

2014-2018: Director of Séverine Lannoy's PhD Thesis – *Ph.D. obtained on March 21<sup>st</sup>, 2018*

Title: "Exploring the imbalance between affective and reflective systems in binge drinking: An electrophysiological and longitudinal approach"

2013-2017: Director of Mélanie Brion's PhD Thesis – *Ph.D. obtained on May 8<sup>th</sup>, 2017*

Title: "Electrophysiological exploration of executive and emotional processing in alcohol-dependence and Korsakoff syndrome"

2013-2018: Co-director (Director: Prof. J. Billieux) of Jory Deleuze's PhD Thesis – *Ph.D. obtained on January 11<sup>th</sup>, 2018*

Title: "The role of dominant response inhibition in impulsive behaviours"

2013-2018: Co-director (Director: Prof. J. Billieux) of Gaetan Devos's PhD Thesis

Title: "Impulsivity and false beliefs in Pathological gambling"

2005-2018: Supervision of 62 Master's theses at the Department of Psychology, Université catholique de Louvain, Louvain-la-Neuve, Belgium

## SCIENTIFIC PUBLICATIONS AND COMMUNICATIONS

---

## D. Communications and invited seminars

### a. Oral and written communications

- 50° **Maurage**, Brion (2017). *Source memory in Korsakoff Syndrome: Disentangling the mechanisms of temporal confusion*  
Maastricht, The Netherlands, 13/09/2017.  
Oral communication during the 6<sup>th</sup> Scientific meeting of the Federation of the European Societies of Neuropsychology (FESN), 13-15<sup>th</sup> September 2017.
- 49° Lannoy, Dormal, Billieux, **Maurage** (2017). *Joint exploration of executive functions in binge drinking*.  
Lille, France, 02/06/2017.  
Written communication (poster) during the "13<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", 1-2 June 2017.
- 48° Flayelle, **Maurage**, Billieux (2017). *Development of questionnaires measuring the engagement and the motives related to TV series watching*.  
Lille, France, 02/06/2017.  
Written communication (poster) during the "13<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", 1-2 June 2017.
- 47° Dormal, Lannoy, D'Hondt, **Maurage** (2017). *Neuromodulation of inhibition skills in binge drinking*.  
Lille, France, 02/06/2017.  
Written communication (poster) during the "13<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", 1-2 June 2017.
- 46° Brion, **Maurage** (2017). *Conflict processing modulated by alcohol-related stimuli in a modified Flanker task*.

Lille, France, 02/06/2017.

Written communication (poster) during the "13<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", 1-2 June 2017.

45° **Maurage**, Brenugat, D'Hondt, Peyroux (2016). *Evaluation and remediation of social cognition in psychiatry*. Montpellier, France, 25<sup>th</sup> November.

Oral communication during the 8<sup>th</sup> "Congrès Français de Psychiatrie", 23<sup>th</sup>-26<sup>th</sup> November 2016.

44° Heeren, Billieux, Philippot, de Raedt, Baeken, de Timary, **Maurage**, & Vanderhasselt (2016). *Impact of transcranial direct current stimulation on attentional bias for threat: A proof-of-concept study among individuals with social anxiety disorder*.

New York City, USA, 30<sup>th</sup> October.

Oral communication during the "50th Annual Convention of the Association for Behavioral and Cognitive Therapies", 29<sup>th</sup> October – 3<sup>rd</sup> November 2016.

43° Lannoy, D'Hondt, Evrard, Billieux, & **Maurage**. *Electrophysiological correlates of performance monitoring in binge drinking*.

Lille, France, 30<sup>th</sup> September 2016.

Written communication (poster) during the "Congrès annuel de la Société de Psychophysiology et de Neurosciences Cognitives (SPNC)", 29<sup>th</sup> -30<sup>th</sup> September 2016.

42° Lannoy, Billieux, Poncin, **Maurage**. *Binging at the campus: motivations and impulsivity influence binge drinking profiles in university students*.

Berlin, Germany, 3<sup>rd</sup> September 2016.

Written communication (poster) during the "ISBRA-ESBRA World Congress on Alcohol and Alcoholism", 2<sup>nd</sup>-5<sup>th</sup> September 2016.

41° **Maurage**. *Social neurosciences in alcohol-use disorders*.

Boston, USA, 4<sup>th</sup> February 2016.

Oral communication during the 44<sup>th</sup> Congress of the International Neuropsychological Society, 3<sup>rd</sup>-6<sup>th</sup> February 2016

40° **Maurage**. *Impact émotionnel et cognitif du binge drinking*.

Lille, France, 27<sup>th</sup> November 2015.

Oral communication during the 7<sup>th</sup> "Congrès Français de Psychiatrie, 25<sup>th</sup>-28<sup>th</sup> November 2015.

39° **Maurage**. *Binge drinking: what and where are the brain consequences?*

Deauville, France, 8<sup>th</sup> October 2015.

Oral communication during the 2<sup>nd</sup> Meeting of the Normandy Association for Alcolology, 8<sup>th</sup> October 2015.

38° **Maurage**. *Exploring social cognition in alcohol-dependence: results from an integrated battery*.

Valencia, Spain, 14<sup>th</sup> September 2015.

Oral communication during the 15<sup>th</sup> Meeting of the European Society for Biomedical Research on Alcoholism (ESBRA), 12<sup>th</sup>-15<sup>th</sup> September 2015.

37° **Maurage**. *Emotional processing, social cognition and alcohol-dependence*.

Paris, France, 26<sup>th</sup> June 2015.

Oral communication during the "Annual meeting of the Center for Cognitive Remediation and Psychosocial Rehabilitation", Paris, 26<sup>th</sup> June 2015.

36° **Maurage**, Peyroux. *Evaluating social cognition in alcohol-dependence*.

Poitiers, France, 21<sup>st</sup> May 2015.

Oral communication during the Annual Meeting of the Groupe de Réflexion en Psychopathologie Cognitive (GREPACO), 21<sup>st</sup>-22<sup>nd</sup> May 2015.

35° **Maurage**. *Emotional and interpersonal deficits in alcohol-dependence: a neuroscience perspective*.

Nantes, France, 29<sup>th</sup> November 2014

Oral communication during the "French National Congress of Psychiatry", 26-29<sup>th</sup> November 2014.

34° **Maurage**. *Cognitive and emotional impairments in alcohol-dependence: from research to clinical rehabilitation*.

Lyon, France, 18<sup>th</sup> November 2014

Oral communication during the "Cognitive Remediation Complementary Master of the Lyon I University".

33° **Maurage**. *Attentional alterations in alcohol-dependence are underpinned by specific executive control deficits*.

Yokohama, Japan, 4<sup>th</sup> October 2014

Oral communication during the "16<sup>th</sup> International Society for Addiction Medicine Meeting", 2-5<sup>th</sup> October 2014.

32° **Maurage**. *Binge drinking influences the cerebral processing of affective voices in young adults*.

Yokohama, Japan, 4<sup>th</sup> October 2014

Oral communication during the "16<sup>th</sup> International Society for Addiction Medicine Meeting", 2-5<sup>th</sup> October 2014.

31° **Maurage**. *Binge drinking influences the cerebral processing of affective vocalizations.*

Beaune, France, 30<sup>th</sup> January 2014

Oral communication during the "ANT Neurometing 2014, Psychiatry session", 29<sup>th</sup> January – 1<sup>st</sup> February 2014.

30° **Maurage**. *Cerebral correlates of binge drinking: insights from neuropsychology and neuroimaging.*

Leuven, Belgium, 13<sup>th</sup> December 2013.

Oral communication during the Annual Forum of the Belgian College of Neuropsychopharmacology and Biological Psychiatry (BCNBP), entitled "Clinical challenges in alcohol abuse: binge drinking and comorbid bipolarity".

29° **Maurage**. *Face and voice perception in alcohol-dependence.*

Brussels, Belgium, 22<sup>nd</sup> November 2013.

Oral communication during the "Person perception from face and voice" Conference of the Belgian Royal Academy of Sciences.

28° **Maurage**. *Emotional and interpersonal deficits in binge drinking.*

Amiens, France, 8<sup>th</sup> November 2013.

Oral communication during the "Brain, Alcohol and Psychology" Meeting, University of Picardy.

27° **Maurage**. *Binge drinking influences the cerebral processing of affective vocalizations.*

Warsaw, Poland, 10<sup>th</sup> September 2013.

Oral communication during the 15<sup>th</sup> Meeting of the European Society for Biomedical Research on Alcoholism (ESBRA), 8<sup>th</sup>-11<sup>th</sup> September 2013.

26° **Maurage**. *Déficit de régulation émotionnelle en situation d'exclusion sociale dans l'alcoolodépendance : une étude en IRMf.*

Paris, France, 07<sup>th</sup> June 2013.

Oral communication during the Annual Meeting of the Groupe de Réflexion en Psychopathologie Cognitive (GREPACO), 7<sup>th</sup> June 2013.

25° **Maurage**. *Neuropsychologie et neuroimagerie fonctionnelle des troubles émotionnels dans l'alcoolodépendance.*

Caen, France, 24<sup>th</sup> May 2013.

Oral communication during the 37<sup>th</sup> Spring Meeting of the French Neuropsychology Society, "Alcohol-dependence and neuropsychology".

24° **Maurage**. *Disrupted regulation of social exclusion in chronic alcoholism: An fMRI study.*

Beaune, France, 24/01/2013.

Oral communication during the "ANT Neurometing 2013, Neurodiagnostics session", 23-26 January 2013.

23° **Maurage**, Joassin, Fisch, Philippot, **Maurage**. *In doubt, let's avoid! General avoidance of faces, postures and neutral objects in social anxiety.*

Marseille, France, 11/05/2012.

Written communication (poster) during the "1<sup>st</sup> Conference of the European Society for Cognitive and Affective Neuroscience (ESCAN) ", 09-12 May 2012.

22° **Maurage**, Callot, Philippot, Rombaux, de Timary. *Chemosensory event-related potentials in alcoholism: A specific impairment for olfactory function.*

Marseille, France, 10/05/2012.

Written communication (poster) during the "1<sup>st</sup> Conference of the European Society for Cognitive and Affective Neuroscience (ESCAN) ", 09-12 May 2012.

21° **Maurage**, Joassin, Speth, Modave, Philippot, Campanella. *Cerebral effects of binge drinking: Respective influences of global alcohol intake and consumption pattern.*

Marseille, France, 11/05/2012.

Written communication (poster) during the "1<sup>st</sup> Conference of the European Society for Cognitive and Affective Neuroscience (ESCAN) ", 09-12 May 2012.

20° **Maurage**, Joassin, Pesenti, Grandin, Heeren, Philippot, de Timary. *The neural network sustaining crossmodal integration is impaired in alcohol-dependence: an fMRI study.*

Marseille, France, 10/05/2012.

Written communication (poster) during the "1<sup>st</sup> Conference of the European Society for Cognitive and Affective Neuroscience (ESCAN) ", 09-12 May 2012.

19° **Maurage**. *Disrupted regulation of social exclusion in alcohol dependence: An fMRI study.*

Marseille, France, 11/05/2012.

Oral communication during the "1st Conference of the European Society for Cognitive and Affective Neuroscience (ESCAN) ", 09-12 May 2012.

18° **Maurage**. *Disrupted regulation of social exclusion in alcohol dependence: An fMRI study.*

Prague, Czech Republic, 04/03/2012.

Oral communication during the "20th European Congress of Psychiatry of the European Psychiatry Association (EPA)", 03-06 March 2012.

17° **Maurage**. *Cerebral effects of binge drinking: Respective influences of global alcohol intake and consumption pattern.*

Beaune, France, 28/01/2012.

Oral communication during the "ANT Neuromeeting 2011, Psychiatry session", 25-28 January 2012.

16° **Maurage**, Joassin, Pesenti, Philippot, Vermeulen, Corneille, Luminet, de Timary. *Disrupted regulation of social exclusion in alcohol-dependence: An fMRI study.*

Champéry, Switzerland, 10/01/2012.

Written communication (poster) during the "Alpine Brain Imaging Meeting", 8-12 January 2012.

15° Deleuze, Heeren, de Timary, Philippot, **Maurage**. *Le réentrainement attentionnel en prévention de la rechute alcoolique.*

Ittre, Belgium, 19/12/2011.

Written communication (poster) during the "6<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO) ", 18-20 December 2011.

14° **Maurage**, Joassin, Pesenti, Philippot, Vermeulen, Corneille, Luminet, de Timary. *Disrupted regulation of social exclusion in chronic alcoholism: An fMRI study.*

La Hulpe, Belgium, 26/11/2011.

Written communication (poster) during the "Highlights in Psychiatry Meeting", 26<sup>th</sup> November 2011.

13° **Maurage**, Joassin, de Timary. *Crossmodal integration of emotional stimuli is seriously impaired in alcoholism: An fMRI study.*

Vienna, Austria, 06/09/2011.

Written communication (poster) during the "2011 ESBRA European Congress", 04-07 September 2011.

12° **Maurage**, Joassin, Pesenti, Philippot, Vermeulen, Corneille, Luminet, de Timary. *Disrupted regulation of social exclusion in chronic alcoholism: An fMRI study.*

Paris, France, 15/09/2010.

Written communication (poster) during the "2010 ISBRA World Congress", 13-17 September 2010.

11° **Maurage**, Joassin, Pesenti, Philippot, Vermeulen, Corneille, Luminet, de Timary. *Disrupted regulation of social exclusion in chronic alcoholism: An fMRI study.*

Barcelona, Spain, 10/06/2010.

Written communication (poster) during the "Human Brain Mapping 16th Annual Meeting", 06-10 June 2010.

10° **Maurage**. *Beyond vision. cerebral correlates of auditory and crossmodal emotional processing: Application to psychopathology.*

Lille, France, 23/04/2010.

Oral communication during the "Third European Conference on Emotion" of the Consortium of European Research on Emotion (CERE), 22-24 april 2010.

9° **Maurage**. *Latent deleterious effects of binge drinking over a short period of time revealed by electrophysiological measures only.*

Nijmegen, The Netherlands, 11/12/2009.

Oral communication during the "KBS Thematic Meeting on Episodic Heavy Drinking among Adolescents", 10-12 december 2009.

8° **Maurage**, Pesenti, Philippot, Joassin, Campanella. *Latent deleterious effects of binge drinking over a short period of time revealed by electrophysiological measures only.*

La Hulpe, Belgium, 21/11/2009.

Written communication (poster) during the "Highlights in Psychiatry Meeting", 21<sup>st</sup> November 2009.

7° **Maurage**, Pesenti, Philippot, Joassin, Campanella. *Latent deleterious effects of binge drinking over a short period of time revealed by electrophysiological measures only.*

San Francisco, United-States, 19/06/2009.

Written communication (poster) during the "Human Brain Mapping 15th Annual Meeting", 18-23 June 2009.

6° **Maurage**. *Disrupted processing of anger in chronic alcoholism is sustained by an attentional deficit: an ERP study.*

Berlin, Germany, 24/09/2007.

Oral communication during the "11<sup>th</sup> congress of the European Society for Biomedical Research on Alcoholism (ESBRA)", 23-26 September 2007.

5° **Maurage**. *Emotional Facial Expression (EFE) processing deficit in alcoholism: insights from event-related potentials.*

Ghent, Belgium, 24/05/2006.

Oral communication during the "3<sup>rd</sup> Belgian meeting on Emotion and Psychopathology".

4° **Maurage**. *Emotional Facial Expression (EFE) processing deficit in alcoholism: insights from event-related potentials.*

Budapest, Hungary, 3/06/2006.

Oral communication during the symposium "Emotion, consciousness and event-related potentials" (C. Tomberg) at the "6<sup>th</sup> Congress of the Federation of European Psychophysiology Societies", 31 May - 3 June 2006.

3° **Maurage**. *Is the abnormal P300 in psychopathology just a consequence of a dysfunction in earlier components? P100 and N170 components are disrupted in alcoholism and schizophrenia.*

Munich, Germany, 08/09/2005.

Oral communication during the "Second Joint Meeting of the ECNS and ISNIP", 06-10 September 2005.

2° Joassin, **Maurage**, Campanella, Guérit, Bruyer, Crommelinck. *Audio-visual integration of faces and voices: an ERP study.*

Budapest, Hungary, 15/06/2004.

Written communication (poster) during the "Human Brain Mapping Congress", 13-17 June 2004.

1° Joassin, **Maurage**, Campanella, Guérit, Bruyer, Crommelinck. *Electrophysiological correlates of audio-visual integration of faces and voices.*

Bordeaux, France, 12/09/2003.

Written communication (poster) during the "5<sup>th</sup> Congress of the European Federation of Psychophysiology Societies".

#### *b. Invited seminars*

21° **Maurage**. *Binge drinking in students.*

Mons (Belgium)

December 5<sup>th</sup> and 22<sup>nd</sup> 2016

Oral communications for students in nursing, Haute Ecole Condorcet.

20° **Maurage**. *Virtual therapy: reality or fiction?*

Paris (France)

18<sup>th</sup> November 2016

Oral communication during the 2<sup>nd</sup> "Café des Chercheurs" of the Fondation pour la Recherche en Alcoologie.

19° **Maurage**. *Some data on binge drinking and some tips for classy parties.*

Oulu (Finland), Nancy (France), Antwerp (Belgium)

October-November 2016.

Oral communications during the Regional Platforms of the European Students Network (ESN).

18° **Maurage**. *Alcohol and health.*

Valencia (Spain), Bergen (Norway),

October-November 2015.

Oral communications during the Regional Platforms of the European Students Network (ESN).

17° **Maurage**. *Brain effects of binge drinking: drink aware !*

Stockholm, Sweden, 8<sup>th</sup> November 2014.

Oral communications during the Regional Platforms of the European Students Network (ESN).

16° **Maurage**. *Cognitive rehabilitation in alcohol-dependence: bringing research towards clinical settings.*

Liège, Belgium, 13<sup>th</sup> October 2014.

Oral communications during the annual joint meeting of the "Centre des Hautes-Fagnes-Praxis".

15° **Maurage**. *Brain effects of binge drinking: drink aware !*

Kosice (Slovakia), Parma (Italy), Nancy (France), Paris (France), Tampere (Finland), and Zagreb (Croatia)

October-November 2013.

Oral communications during the Regional Platforms of the European Students Network (ESN).

14° **Maurage**. *Emotional and interpersonal processing in alcohol-dependence*.

Mons, Belgium, 04th March 2013.

Oral communication during the Experimental Psychopathology seminar at the Psychology Department of the University of Mons.

13° **Maurage**. *Brain effects of binge drinking: insights from neuroimaging*.

Namur, Belgium, 29th January 2013.

Oral communication during the seminar "Psychotherapy and Neurosciences" at the Psychology Department of the University of Namur.

12° **Maurage**. *Brain effects of binge drinking*.

Ottignies, Belgium, 17th January 2013.

Oral communication during the William-Lennox Neurology Hospital seminar.

11° **Maurage**. *Brain effects of binge drinking : insights from neuroscience*.

Paris, France, 05th December 2012.

Oral communication during the Third Scientific Day of the IREB (Institut for Scientific Research on Alcohol).

10° **Maurage**. *Brain consequences of binge drinking*.

Liège, Belgium, 30th March 2012.

Oral communication during the meeting of the European Group « Safer Drinking Scenes ».

9° **Maurage**. *Alcohol consumption in youth : between pleasure and addiction*.

Lille, France, 03rd December 2010.

Oral communication during the seminar « Addictions », M2 PCICISS, University of Lille.

8° **Maurage**. *Emotional and interpersonal alterations in alcoholism : a combined neuroscience approach*.

Lille, France, 02nd April 2010.

Oral communication in the "Laboratoire de Neurosciences Fonctionnelles et Pathologies" seminar, Faculty of Psychology, Université of Lille.

7° **Maurage**. *Cerebral correlates of binge drinking: An fMRI study with emotional auditory stimuli*.

Glasgow, United Kingdom, 04th October 2009.

Oral communication in the "Center for Cognitive Neuroimaging Project Review" seminar, Faculty of Psychology, University of Glasgow.

6° **Maurage**. *Usefulness of ERPs in psychiatry. Experimental approach and clinical interest*.

Amiens, France, 14th October 2008.

Oral communication in the clinical neuropsychology seminars of the University of Picardy.

5° **Maurage**. *Emotional and interpersonal alterations in alcoholism : a combined neuroscience approach*.

Amiens, France, 14th October 2008.

Oral communication in the course "Psychopathology and psychiatry" organized by the University of Picardy.

4° **Maurage**, Pinto. *Alcohol and health : what risks at short, mid and long term ?*

Louvain-la-Neuve, Belgium, 28th November 2007.

Oral communication during the seminar "Alcohol in student's environment" organized by the Health Service of the Université catholique de Louvain.

3° **Maurage**. *Brain effects of binge drinking : what are the mid-term consequences in youth ?*

Malèves, Belgium, 2nd May 2007.

Oral communication during the seminar "Young adults and alcohol" organized by the Health Service of the Université catholique de Louvain.

2° **Maurage**. *Usefulness of ERPs in the exploration of emotional deficits in alcoholism*.

Louvain-la-Neuve, Belgium, 18th December 2007

Oral communication at the seminars of the research group « Mental health, well-being and psychological development » of the Department of Psychology, Université catholique de Louvain.

1° **Maurage**. *Altered decoding of emotional facial expressions in alcoholism : exploration using ERPs*.

Brussels, Belgium, 18th June 2006

Oral communication at the clinical seminars of the Brugmann university hospital (ULB).

## GRANTS AND AWARDS

*Total amount from grants, 2011-2017: 1.867.802 €*

- 2017: Research Grant from the Fund for Scientific Research (FNRS) for Mrs. Creupelandt's Ph.D.: 85.000 €
- 2016: Research Grant from the UCL (Coordinated Research Project, co-directors, Profs. Demoulin and Stinglhamber): 700.000 €
- 2016: Research Grant from the FRA (Alcohol Research Federation, France): 115.000 €
- 2016: Research Grant from the Fund for Scientific Research (FNRS) for Mrs. Lannoy's Ph.D. (2<sup>nd</sup> part): 85.000 €
- 2016: Research Grant from the Beauvallon Psychiatric Hospital for Mrs. Coussement's Ph.D.: 152.000 €
- 2015 : « Human and Social Sciences Georges de Saint-Blanquat » Prize from the IREB : 5000 €
- 2015: Research Grant from the IREB (Institute for Scientific Research on Alcoholic Beverages): 6.000 €
- 2015: Wallonie-Bruxelles International Grant, « Programme Hubert Curien 2015 » : 2000 €
- 2015: Research Grant from the FRA (Alcohol Research Federation, France): 108.000 €
- 2014: Research Grant from the Fund for Scientific Research (FNRS) for Mrs. Lannoy's Ph.D.: 85.000 €
- 2013: Research Grant from the UCL ("FSR Doctoral Grant") for Mrs. Brion's Ph.D.: 160.000 €
- 2013: Best poster prize at the 14th Congress of the Society for Biomedical Research on Alcoholism: 1000 €
- 2013: Research Grant from the IREB (Institute for Scientific Research on Alcoholic Beverages): 7.000 €
- 2013: Research Grant from the Belgian National Lottery (Director of the project: Prof. Joël Billieux): 106.000 €
- 2012: FNRS-FRFC Grant (N°2450 912) for the EEG study of attentional biases in psychiatric states: 64.452 €
- 2012: Seed Fund Grant from the European Huntington Disease Network (EHDN): 50.000 €
- 2012: Travel Award for the 20th congress of the European Psychiatric Association: 350 €
- 2011: FNRS-FRFC Grant (N°1706870) for the exploration of crossmodal processing in psychiatry: 136.000 €
- 2009: Post doctoral stay grant (British Council) for the post-doctoral stay at the University of Glasgow: 5000 €
- 2004: De Montpellier prize (Faculty of Psychology, UCL) for the Master's thesis: 800 €

## OTHER SCIENTIFIC ACTIVITIES

---

### Editor and Reviewer

Review Editor for « Frontiers in Psychopathology »

Ad-hoc reviewer for the following scientific journals:

- Acta Psychologica
- Addiction
- Addiction Biology
- Addictive Behaviors
- Alcohol and Alcoholism
- Alcoholism: Clinical and Experimental Research
- Alcoologie et Addictologie
- American Journal of Drug and Alcohol Abuse
- Annals of the Brazilian Academy of Sciences
- Annals of Depression and Anxiety
- Anxiety, Stress and Coping
- Behavioral and Brain Functions
- BioMedical Engineering
- Brain and Cognition
- Brain Imaging and Behavior
- Brain Research
- Brain Topography
- British Food Journal
- British Journal of Education, Society & Behavioural Science
- Biological Psychiatry

### Expertise works

- 2018: Evaluation expertise for the Canadian Social Sciences and Humanities Research Council – Insight Grant  
2017: Evaluation expertise for the European Cooperation in Science and Technology (COST, European Union)  
2017: Evaluation expertise for the Auckland Medical Research Foundation (New-Zealand)  
2016: Evaluation expertise for the Swiss National Science Foundation (SNSF)  
2012: Member of the Decisional Board for the “AXA Research Fund Postdoctoral Grants Campaign.  
2011: Evaluation for the Scientific Programs of the French National Research Agency (ANR, JCJC SHS 2).

- 2011: Evaluation expertise for the Grant Applications of the European Foundation for Alcohol Research (ERAB).
- 2011: Evaluation expertise for the AXA Research Fund .
- 2011: Evaluation expertise for the AXA Research Fund Postdoctoral Grants Campaign.
- 2011: Evaluation expertise for the Grant Applications of the Austrian National Research Agency (FWF).

### Participation in PhD examining boards

- February 2017: External member in the PhD examining board of Caroline Claisse's Ph.D. Thesis  
Directors: Prof. Jean-Louis Nandrino  
University of Lille (France)  
Title: "Exploration of the processes underlying emotion regulation in alcohol-dependence"
- October 2016: External member in the PhD examining board of Brice Beffara's Ph.D. Thesis  
Directors: Prof. Martial Mermillod / Prof. Nicolas Vermeulen  
University of Grenoble (France) / Université catholique de Louvain (Belgium)  
Title: "High-frequency cardiac variability and pro-social behaviors in healthy human adults: Predictive value and limits of the polyvagal perspective"
- November 2015: External member in the PhD examining board of Elodie De Wever's Ph.D. Thesis  
Director: Prof. Véronique Quaglino  
University of Amiens (France)  
Title: "Personality and cognitive functioning as vulnerability factors towards binge drinking among students: role of the expectancies, drinking motives and gender in this relation"
- April 2015: External member in the PhD examining board of Kate Marie Chitty's Ph.D. Thesis  
Director: Profs. Daniel F. Hermens & Jim Lagopoulos  
University of Sydney (Australia)  
Title: "The psychophysiology and in vivo neurochemistry of alcohol use in young people with bipolar disorder"
- April 2014: External member in the PhD examining board of Géraldine Petit's Ph.D. Thesis  
Director: Profs. Salvatore Campanella & Charles Kornreich  
Free University of Brussels (Belgium)  
Title: "Identifying prognostic neurophysiological markers of relapse in alcohol-dependence"
- October 2013: External member in the PhD examining board of Fanny Kreusch's Ph.D. Thesis  
Director: Prof. Etienne Quertemont  
University of Liege (Belgium)  
Title: "The role of implicit cognitions in the study of alcohol-related behaviours"
- September 2013: External member in the PhD examining board of Eveline Carola Fois' Ph.D. Thesis  
Director: Prof. Martial Vanderlinden  
University of Geneva (Switzerland)  
Title: "Multiple single-case evaluation of the feasibility and efficiency of three new rehabilitation techniques in alcohol-dependence"

### Congress organization

- 2017: Member of the organization committee of the "13<sup>ème</sup> rencontres du Groupe de Réflexion en Psychopathologie Cognitive (GREPACO)", Lille, France, 1-2 June 2017.
